MCWD's Annual Report Released

The Mammoth Community Water District prepared a 2023/24 Annual Report highlighting key projects, programs and system improvements.

Mammoth Lakes, California – The Mammoth Community Water District (District) takes great care to deliver the community with quality water and wastewater services. The District's [Annual Report](#) provides customers with a better understanding of District operations and accomplishments over the last year. The report highlights key projects, programs, and system improvements. This year's report highlights the many accomplished projects completed by our staff. For the full report visit <https://www.mcwd.dst.ca.us/other-projects>.

###

MCWD provides water and wastewater utility service to the Town of Mammoth Lakes and surrounding areas. MCWD strives to provide reliable, affordable utility service to our customers and to conduct our operations in a manner reflecting our stewardship role. We encourage our customers to practice responsible use of our limited water resources, and to take advantage of the information and services available to support this goal.
