Re: Notice of Intent to Award - Geographic Information System (GIS) Utility Network Model Migration Request for Proposals (RFP)

After reviewing the proposals received May 14, 2024, and subsequent interviews, the Mammoth Community Water District (MCWD) intends to award the contract to Avineon based on the scoring described in the request for proposals. As a public agency, all proposals and scoring are in the public domain and MCWD will provide them upon request. Thank you all for submitting proposals. This was a hard decision as MCWD received seven proposals from highly qualified candidates. MCWD narrowed this down to five candidates to interview. See attached scoring summary below. Thank you again for all the work that went into the proposals and please feel free to call or email with any questions.

This Notice of Intent to Award can be found on the MCWD website at:

<https://mcwd.dst.ca.us/geographic-information-system-gis-utility-network-un-request-for-proposal>

Thank you,

Justin Mulbay
