

Mammoth Community Water District Customer Rebate Program Application

Instructions:

- 1) To determine eligibility for the rebate program submit the completed application to the District for review.
 - via email: rebates@mcwd.dst.ca.us
 - U.S. mail : **MCWD/Rebate Program, PO Box 597, Mammoth Lakes, CA 93546**
 - MCWD located at **1315 Meridian Blvd, Mammoth Lakes, CA 93546**
- 2) **Following confirmation of eligibility, purchase and install fixture(s).**
- 3) **REQUIRED:** Provide an itemized receipt of fixture(s) purchase and a receipt from the dump/transfer station confirming old fixture(s) disposal or proof of haul away.
- 4) **This application must be submitted to MCWD prior to installing the new fixture and within 2 months of disposal of the old (replaced) fixture.**
- 5) Mammoth Community Water District reserves the right to complete a pre- or post-installation inspection of property/household.
- 6) MCWD will not issue an IRS Form 1099, but customers should consider the rebate when completing taxes.
- 7) A rebate check will be mailed to the applicant following completion of the steps outlined above.

Terms:

- Applicants must be in good standing with MCWD, i.e., applicants cannot have a currently un-resolved irrigation violation, past due backflow test, or other compliance problems.
- Rebates are only available to Mammoth Community Water District customers within the District's service area and owner(s) of the property, unless otherwise designated by the property owner in writing approving other arrangements.
- Applicants must receive confirmation of eligibility from MCWD staff to receive the rebate.
- Provide an itemized receipt of fixture(s) purchased and a receipt from the dump/transfer station confirming old fixture(s) disposal or proof of haul away.
- The date on invoice/receipt for the disposal or proof of haul away of the prior fixture(s) must be within 2 months from when MCWD approves the application. Requests to extend the 2-month installation and disposal period must be received in writing prior to expiration of the application and will be considered on a case-by-case scenario.
- Rebates amounts may not exceed the cost of the fixture. Shipping, installation costs, and taxes are not covered.
- Rebates are processed in the order they are received and are limited by available funding. **Any rebate request over \$1,500 must go through a separate approval process and terms may be negotiable.** The current program runs until March 31, 2025, or until funds are no longer available.
- New construction projects governed by the Green Building Code Standards and new toilets added to a building are **not eligible** for the rebate program.
- Application acceptance is based on estimated water savings and is at the sole discretion of the Mammoth Community Water District.

I certify that the information on this application is true and correct. I have read, understand and agree to the terms and instructions of the rebate program as stated above.
