

Mammoth Community Water District

Questionnaire For Cross Connection Control

In compliance with the Federal Safe Drinking Water Act of 1974, the California Administrative code and Mammoth Community Water district Ordinances #03-19-87-07, it is necessary to ask certain questions regarding the development of your property to determine compliance with our Cross Connection Control Program.

Our cross-connection control program is designed to meet these regulations to protect the public water from backflow of any pollution or contamination.

Property address

Type of facility

What is the building height
