

CIPP Sewer Rehab Project Coversheet 2022

The project will involve installing 6133 ft. of cure in place pipe at Hillside Drive, Valley Vista Drive, Majestic Pines Drive, and Manzanita Road throughout the town of Mammoth Lakes. Project may be started after 9/6/22 and must be completed before 10/14/22. This is to take advantage of minimal flows and traffic during the slow tourism season.
