Recruitment Contact: Chris Weibert

---

This is an Open recruitment for a Mechanical Maintenance Worker I who meets the minimum qualifications, standards and filing requirements specified on this announcement.

The Mammoth Community Water District, Maintenance Department, Mechanical Maintenance Division currently has one permanent opening available, and is offering an excellent career opportunity for a motivated individual interested in becoming a member of an extraordinary and dynamic water/wastewater utility maintenance team.

**Position Description:**

The Mechanical Maintenance Worker I is an entry-level, training position in the Mechanical Maintenance Worker class series that learns and performs unskilled or semi-skilled water/wastewater system installation, maintenance and repair assignments, and customer service tasks under close supervision. Incumbents may be required to work extended hours, be on call/standby, work holidays and weekends, and in all manner of inclement weather.

**The Requirements – Minimum Qualifications/Standards:**

*These are entrance requirements to the Open recruitment, and do not assure a place on the eligible list. Applicants must meet the minimum qualifications/standards for the position on or before the posted filing deadline in order to qualify.*

TO QUALIFY, an applicant must have:

Any combination of education and experience, which would likely provide the necessary knowledge and abilities, is qualifying. A typical way to obtain the knowledge and abilities would be:

Education: A High School diploma or equivalent is required.

Experience: No specific work experience is required. Must be in good physical condition and have the ability to learn assigned tasks. (Note to Applicants: Industrial construction, underground construction, industrial electrical, plumbing or pipefitting experience is preferred.)

AND

**Special Requirements/Note:**

Driver License: Possession of an appropriate California operator's license issued by the State Department of Motor Vehicles. Possession and proof of a good driving record evidenced by freedom from multiple or serious traffic violations or accidents for at least two years duration. **NOTE: Applicants must submit at the time of application, a current copy of their driving record from the State of California Department of Motor Vehicles (DMV) issued no later than one month prior to submitting of application.**

Possession of a Class B California operator's license issued by the State Department of Motor Vehicles within twelve (12) months after appointment to position.

**Certification:** Possession of Grade D2 Water Distribution Operator certification from the California State Water Resources Control Board within twenty-four (24) months of appointment to this classification. (Note to Applicants: Possession of Grade II Collection System Maintenance certification from the California Water Environment Association within twenty-four [24] months of appointment to this classification is desirable but not required.)

**Safety Sensitive:** This position has been designated as being "safety sensitive" and requires all eligibles offered employment to successfully pass a drug test prior to employment. Federal law requires that applicants for positions involving the operation of certain transit vehicles, revenue service vehicles, the transportation of hazardous materials, or heavy equipment over 26,001 pounds requiring a commercial driver license, must undergo pre-employment drug testing as a condition of employment.

### **Selection Process:**

Depending upon the number of applicants meeting the filing requirements and minimum qualifications/standards, applicants may be scheduled for one of the following processes listed below:

- Application Review (Upon receipt, applications are screened according to the minimum qualifications/standards outlined above, with the most qualified applicants being recommended to the Maintenance Department.)
- Performance Examination (Weighted 100%, a job related performance examination.)
- Oral Examination (Weighted 100%, includes a panel of at least one member within a similar field of expertise as the vacancy. Candidates are asked structured questions and must respond orally to allow the panel to evaluate the specific qualifications of each applicant.)

Candidates must achieve a passing score on the examinations to qualify for consideration.

### **How to Apply and Required Application Materials:**

- Mammoth Community Water District Application (Must be complete and current. The District application form is available at <https://mcwd.dst.ca.us/employment/>.)
- The Application and related application materials (i.e., State DMV driving record) are to be submitted by email only to [cweibert@mcwd.dst.ca.us](mailto:cweibert@mcwd.dst.ca.us) by the final filing date. Applications submitted by U.S. Mail, in person to the District/Personnel office, or fax will not be accepted. Resumes are not accepted in lieu of an application.
- Once the recruitment filing period has concluded, status checks may be done at any time by contacting the Recruitment Contact via email or phone (extension 226).

### **Equal Opportunity Employer:**

We welcome applicants of any race, gender, religion, ancestry or disability.

---

*Immediate and future vacancies will be filled from this eligible list for a period of up to six (6) months from the date of promulgation.*
