

## News Release

Mammoth Community Water District  
PO Box 597, Mammoth Lakes, CA 93546  
760-934-2596

**FOR IMMEDIATE RELEASE: April 5, 2023**

**CONTACT: Michael Draper**

### **Operations Update**

*Operations will continue without interruption as staff works to assess and repair infrastructure*

---

**Mammoth Lakes, California** – The Mammoth Community Water District has been made aware of impacts to its infrastructure caused by this season’s record snowfall. The District would like to assure the community that all operations will remain intact as staff works to make necessary repairs. The District will continue to deliver potable water and collect wastewater from customers. There are no anticipated impacts to our customers or the community at this time. Please stay clear of District water tanks, generators, and other infrastructure as staff works to assess and complete repairs.

If you have any questions, please contact Michael Draper, Principal Administrative Analyst, at 760-934-2596 ext. 274, or [mdraper@mcwd.dst.ca.us](mailto:mdraper@mcwd.dst.ca.us).

###

MCWD provides water and wastewater utility service to the Town of Mammoth Lakes and surrounding areas. MCWD strives to provide reliable, affordable utility service to our customers and to conduct our operations in a manner reflecting our stewardship role. We encourage our customers to practice responsible use of our limited water resources, and to take advantage of the information and services available to support this goal.
